Dear Mr. Hermann,

This is in response to your September 23, 2019 public records request for the following records:

- Policies, procedures and/or documents pertaining to indexing for FamilySearch, otherwise known as Intellectual Reserve, Inc., a genealogical non-profit operated by The Church of Jesus Christ of Latter-day Saints (LDS), by inmates within facilities run by the Oregon Department of Corrections. This includes any documents regarding Family History Centers operated within such facilities, and any documents referencing LDS Correctional Services, a division of LDS.

Having reviewed your request, we are able to inform you that the Oregon Department of Corrections (DOC) does not have a genealogical non-profit operated by The Church of Jesus Christ of Latter-day Saints, by inmates within facilities run by DOC, including any documents regarding Family History Centers operated within such facilities, and any documents referencing LDS Correctional Services.

Please let us know if there is anything else we can assist you with in the future.

Sincerely,

*J. Nickie Basinger*
